Mr. Ronald Vaughn, Chairman
Taylor Republican Club
P.O. Box 1091
Taylor, MI 48180

Dear Taylor Republicans:

Over the past thirty years, your organization has worked tirelessly to help elect Republicans to office. You have devoted countless hours of man power working to get our Republican message out in a heavily democratic area. From its founding, the Club has been an inspiration to local Republicans, showing we can stand up to the democratic political machine. The Taylor Republicans Club have been a voice to conservatives in the downriver area, and while other local clubs have sprung up in the area over the years, some of which have come and gone, the Taylor Republicans still remain strong. If not for the selfless efforts and unwavering dedication of its members, the Taylor Republican Club would not be celebrating its 30th anniversary today, Wednesday, December 14, 2011.

On behalf of the Michigan Republican Party, we would like to congratulate you for reaching this milestone and would like to thank each and every one of you for all of your efforts in helping to elect republican leaders to office and spreading the Republican message. On a personal note I am so inspired by your desire to motivate our grassroots activists, to show leadership in your communities, to bring sound policy and change to our state by supporting solid conservative values day in and day out.

It is grassroots organizations like this that are the foundation of our Party. Without your efforts, we would not be able to carry out our mission. From knocking on doors to working the parades, over the years, day in and day out, your members have had a great impact and the State Party greatly appreciates your efforts.

In addition to political activity, your organization also represents something bigger. It is not just a political outlet, but also a community organization. Your civic involvement, from collecting food for the homeless and making charitable contributions, to bringing in policy makers and offering a forum for spreading knowledge and exchanging ideas, make you more than just a club. Your organization is something special, and that is why it has stayed strong for thirty years. On this thirtieth anniversary, I want to once again thank you for all that you do, and look forward to another thirty years of accomplishments from the Taylor Republicans.

Regards,

Robert Schostak, Chairman
